Parental / Guardian Agreement

I/We have read and understand the following:

1. The \$175.00 registration fee is non-refundable.
2. The Full year of tuition needs to be paid by Dec. 2025. 50% of tuition is due by September 15th.
3. Avon Nursery School is a non-profit organization who relies on a full year of tuition for each student to be able to appropriately run the Nursery School program.
4. Refunds are only made with the rare exception that ANS cannot fully meet your child's needs and recommends another school for your child.
5. There will be additional school forms for you to fill out before your child attends in September. These papers will be ready for parents to pick up in June of 2026.
6. To maintain a healthy environment for everyone, all children are required by the State of Connecticut and Avon Nursery School to be up to date on all their immunizations/vaccinations including their annual flu shot. (Medical and religious exemptions must be supported by state mandated documentation from medical/religious personnel.)
